

## Baker Announces 2011 Senior Expo June 17 in Wellsboro 5/27/2011

Rep. Matt Baker (R-Bradford/Tioga) is inviting area senior citizens to the 2011 senior expo being held from 10 a.m. to 2 p.m. on Friday, June 17, at Wellsboro Area High School, 225 Nichols St. in Wellsboro.

"I look forward to this event each year," said Baker. "The expo provides a great opportunity for seniors throughout the district to get information on a variety of local, state and federal programs and services available to them at one convenient location. It also allows me the opportunity to talk with local residents and learn more about any concerns or issues they may have."

Admission is free and light refreshments will be served. Free shuttle bus service will also be available from area parking lots around the school.

Baker said two educational programs sponsored by the Elder Services Work Group of the Tioga County Partnership for Community Health will also be offered during the expo. At 11 a.m., Brian Duff, Esq., will lead a discussion titled "What You Need to Consider" pertaining to oil and gas drilling and leasing; and at 12:15 p.m., Samantha Wilcox, Esq., will lead a discussion titled "How Do They Affect Long-Term Care Planning?" pertaining to leasing and royalties of natural gas property.

The event is being co-sponsored by Elder Services Work Group of the Tioga County Partnership for Community Health; Penelec/First Energy Corp; First Citizens National Bank; Kidney Foundation of Central Pennsylvania; U.S. Renal Care; Helpmates Inc.; Stamp Camp USA; and Hub's Home Oxygen and Medical Supplies.

For more information, contact Baker's district offices at (570) 724-1390 in Wellsboro or (570) 297-3045 in Troy.
