Rescheduled from May, Stamp Camp USA will be offered Saturday November 12th at the Extension Office. This a fun, and educational, program that boosts children's skills and knowledge through the use of worldwide stamps, envelopes, and Stamp Camp Cash.

Campers, ages 8 to 14, begin by learning stamp collecting basics, including the proper care of a stamp collection and the use of cool stamp tools. After they learn the basics, campers select a topic and then hunt for related stamps, envelopes, and postmarks in the donations. These materials become part of their personal collections, to be used in their projects, such as creative three-dimensional exhibits, or four-page competitive exhibits. Throughout these activities, each camper earns Stamp Camp Cash, which they use to purchase prizes at the end-of-camp auction.

Lunch is provided, and the registration fee for Lycoming youth is paid for through a Williamsport-Lycoming Foundation grant. For more information or to register, request a form from the Office or download the [Stamp Camp registration flyer](#) here. Registrations are due to Elkland by 11/7/11.
